STAND OUT FROM THE CROWD

NOT ALL CROWDS ARE
THE SAME

FRANCE

THE DIGITAL SAVVY

The French are most likely to try out buying through new social media and voice activated devices during peak sales days

BELGIUM

THE INQUISITIVE

We expect to see the Belgians dive into future retail sales days when offered unique products and incentives

GERMANY

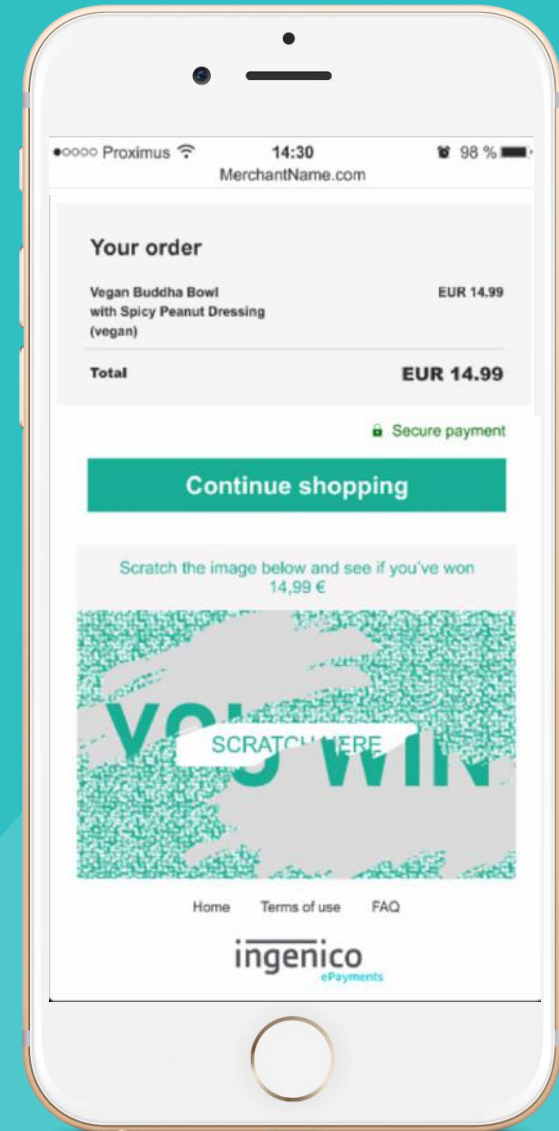

ON THE LOOKOUT
FOR UNIQUE THINGS

One in five German consumers are looking to shop with smaller retailers this year - not just a bargain, but for something unique too
